LIFE DESERVES TO BE *CELEBRATED*

At Metropolis, private celebrations are treated with the same level of care, precision and genuine warmth as our most grand events - because the moments that matter most deserve a setting that rises to meet them.

Perched above the Yarra River in the heart of Melbourne's Southbank, Metropolis is a venue where the setting becomes part of the experience.

With two distinct spaces, each with their own entrance, and a flexible layout that adapts beautifully from intimate gatherings to full-scale celebrations, Metropolis shapes itself around your vision - not the other way around.

Whatever the occasion. Whoever the guest of honour. This is where Melbourne celebrates.

Location

There is something about celebrating in the city that makes every occasion feel a little more special.

Metropolis sits above the Southgate Precinct - moments from Melbourne's CBD, a short walk from Flinders Street Station and directly above all-day parking. Getting there is easy, for guests arriving from across the city or from interstate.

And when the celebration is over, the night doesn't have to be. Some of Melbourne's finest hotels are just steps from our doors, so your guests can stay close, rest well and reminisce a little longer.

Event *PACKAGES*

No two occasions are the same -
and at Metropolis, we don't treat them that way.

Whether you're planning an intimate cocktail christening celebration or a full seated birthday dining experience for a crowd, our packages are designed to flex around your vision, your guest list and the kind of night you want to create.

We offer cocktail and seated dining formats across our Essential, Signature and Luxe menu tiers - each thoughtfully designed to suit a different level of experience, from carefully curated set menus through to our most premium seasonal ingredients and extensive dish selections. At Metropolis, engagement parties are treated with the same care and consideration as the wedding itself - because this moment is just as significant as every one that follows it.

From intimate seated gatherings and long lunches to cocktail parties with family and friends, our engagement party packages are designed to suit every style of celebration.

BIRTHDAYS

Whether it's a 21st, a 40th, a 60th or anything in between, birthdays at Metropolis are made for gathering the people you love and celebrating properly.

Some celebrations call for a long lunch overlooking the city. Others deserve a cocktail party that spills onto the dance floor or a seated dinner that turns into a night of speeches, stories and one more round.

For younger guests, our spaces can also be transformed into playful indoor picnic celebrations, creating a memorable setting for first birthdays and children's milestone moments.

Whatever the milestone, our spaces adapt to the occasion.

ANNIVERSARY

An anniversary is more than a date on the calendar. It is a moment to pause, look back on everything you have built together and celebrate it properly - with the people who have been part of the story.

The setting, the food and the service all conspire to create an evening that feels as meaningful as the occasion itself. Because some milestones deserve more than a dinner reservation - whether that's an intimate seated dinner with family, a long-table lunch with loved ones, or a cocktail event that brings everyone together to raise a glass.
